

THE MIGHTY DOUBLE UNDER BOT

A simple, disciplined market-entry guide for Under-only trading.

WHAT THIS BOT DOES

- 1 The Double Under Bot trades Under contracts only.**
- 2** Do not load it blindly. First confirm the market conditions on the Manual Trader at riskmanagers.site.
- 3** Trade only when all target-market rules are satisfied and the market is stable.

CORE STRATEGY AT A GLANCE

01

UNDER ONLY

This bot is designed to trade Under contracts only.

02

CHECK FIRST

Open the Manual Trader before loading the bot.

03

STABILITY RULE

Pause when the market shifts. Resume only after it stabilizes.

IMPORTANT

The bot card may show historical statistics or estimated profit. These figures are not a promise or guarantee of future performance.

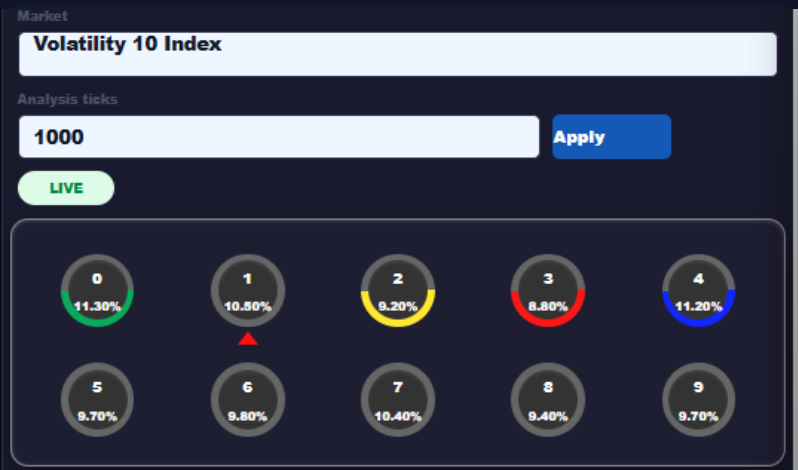

TARGET MARKET RULES

Use the Manual Trader to confirm all conditions before loading the bot.

ALL 3 RULES MUST PASS

- 1 Digits 7, 8 and 9 must each be below 10.5%.
- 2 At least two of those three digits must be below 10.0%.
- 3 None of the four highlighted/labelled markers should be on digits 7, 8 or 9.

QUALIFIED EXAMPLE

WHY THE SHOWN MARKET QUALIFIES

Digit 7	Below 10%
9.80%	

Digit 8	Below 10.5%
10.40%	

Digit 9	Below 10%
9.70%	

WHEN THE BOT IS RUNNING

USD 17.41 USD Transfer

Stop Pause Contract closed

PAUSE

RESUME

If the percentages or highlighted markers shift away from the setup, pause the bot immediately.

Resume only after the market becomes stable and all three rules are valid again.

FINAL CHECK BEFORE YOU LOAD THE BOT

UNDER only • Manual Trader open • 7/8/9 below 10.5% • Two below 10% • No marker on 7/8/9 • Market stable
